

Cryptographic Functions

```
graph LR; A[Digest (Hash) Functions] --> B[Cryptographic Functions]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Cryptographic Functions'. The box on the right is white with a black border and contains the text 'Digest (Hash) Functions'. A horizontal arrow points from the right box to the left box, indicating a relationship or flow from the right to the left.

Digest (Hash) Functions
